

Ms Lê Thị Lan Khanh
Director of Fund

Dear Valued Benefactors,

As we come to the close of 2025, The Children of Vietnam Charitable Fund would like to extend our warmest greetings and deepest gratitude to our Valued Benefactors. To us, the past year has been not only a journey of unwavering effort, but also one sustained by countless compassionate hearts—among which your steadfast support has been a vital source of strength.

Amid the many demands of daily life, you have chosen to care for children living with serious illnesses and congenital conditions. Your generosity has not only helped sustain their medical treatment, but has also carried a gentle message: that love is always present, and there are always caring hands ready to lift them up.

Thanks to the companionship and support of our Valued Benefactors and Corporate Partners, many children have been able to receive timely medical consultations, surgeries, and continued treatment. We extend our special appreciation to FV Hospital—a benefactor that has accompanied The Children of Vietnam Charitable Fund for many years, both as a sponsor and a medical partner—together with its dedicated doctors and healthcare teams who have worked tirelessly for the health and future of the children. We also sincerely thank our other partner hospitals for standing alongside The Children of Vietnam Charitable Fund throughout the treatment journeys of these young patients.

We would also like to express our heartfelt gratitude to Sun Do & Savouré Bakery, who have remained closely connected and consistently supportive through the “Gửi Trọn Yêu Thương – Sending Love, Spreading Happiness” journey; to the Consular Club of Ho Chi Minh City (Consular Club HCMC); to Giọt Lành; to the compassionate MoMo community; GiveNow – Sharing Love, and to the many generous donors who have quietly supported us over time. Every form of companionship, no matter how it is given, adds a warm heartbeat to the healing journeys of the children.

What we cherish most is not reflected in numbers, but in the trust placed in us—the belief that every child deserves to be healed and to grow up surrounded by love. This belief has become a steady flame, empowering The Children of Vietnam Charitable Fund to move forward with resilience and helping the children grow stronger as they reclaim healthier lives.

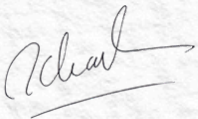

As we step into 2026, The Children of Vietnam Charitable Fund sincerely hopes to continue receiving the trust and companionship of our Valued Benefactors, Corporate Partners, and medical teams. We believe that as long as we continue to walk hand in hand, many more children will be “guided forward” toward a future that is brighter, healthier, and more whole.

Enclosed is the 2025 Annual Report, shared as a heartfelt account of the journey we have built together. Every contribution is a part of a miracle—quiet yet enduring, small yet powerful enough to change lives.

Once again, we wish you and your families a peaceful, healthy, and joy-filled New Year 2026.

With our deepest appreciation and respect.

Sincerely,
The Children of Vietnam Charitable Fund

Lê Thị Lan Khanh
