

MEDICAL TREATMENT MAY 2026

During the month, the Fund supported **12 pediatric** patients, including **8 surgeries** and 4 medical consultations, with a total of **12 treatment and follow-up intervention visits**. Of these, 11 were returning patients receiving continued treatment, while 1 was a newly admitted case.

Funding support was primarily allocated to eye-related conditions, with **58%** dedicated to the treatment of **Retinoblastoma** (eye cancer) and other congenital eye disorders; **35%** to congenital limb deformities; and **7%** to vascular malformations.
