

MEDICAL TREATMENT JUNE 2025

In June, **22 children** received a total of 53 medical treatments and consultations, **including 4 newly admitted patients and 18 returning for follow-up care**. The majority of the budget—66%—was allocated to eye-related diseases, particularly retinoblastoma. Other allocations included 15.1% for vascular malformations, 10.7% for orthopedic malformations, and 8.2% for neurofibromatosis.
